Stranger Than Fiction

Nine o'clock in the dormitory. All is quiet save an occasional door slam, a called name, and an echo of a song for himself. We dare not say how ce. Still? Well, here's luck to you. drifting up from the floor below. My roommate is sound he asleep. And I, pondering over the analysis of a language I bewilderingly call my own, hanging helplessly over a verbal brink—my scle support a dangling participle and a split infinitive-take mv eyes off the thrice-read page, and gaze Out through my second story window; out across the campus hung over their heads. did you sick and love-lorn and collecting Herring, Arleene Lewis, Mary Hope on Walker, Gertrande to the Science and Commerce Building, and up to the large say something, Jeep? Christmas tree that stands serenely a-top its flattened roof. I go to my window, raise it, and stare out into the night. mitony? Don't get excited, girls. A regath of fog settles gently around the Christmas tree. lurred and tiny light casts a halo in the mist. sight. A glowing epitaph of peace.

And suddenly I realize that my eyes are no longer tired; Parnell could write about her?????? the cobwebs are gone; my mind is clear. A feeling of near reverence creeps over me and I stand enthralled. Christmas and its true meaning strikes me with a force. Peace on earth, good will toward men. A Christ-Child for peace, born near two thousand years ago. That really was a great gift, wasn't it?

A gift God gave every man that ever lived; is living, and shall live. His for the taking. And still we make our puny attempts at giving without taking one moment's thought as home last to who was the originator and perpetuator of this spirit of couldn't be found Christmas giving. And ofttimes, I dare say, we do not Wonder where she and Blount hid? nomics conference at Meridian, the through Fit even offer so much as the uncertibeties. We do not where she and Blount hid? nomics conference at Meridian, the through Fit weather predictions second and third of December. Meeven offer so much as the uncostly gift of thanks to the remind me of Joseph Allman. he ridian was a very gracious hostese, One who really began the spirit of Christmas giving by is changing girls with the change making many height and sacrificing His Only Son for peace. Truly the greatest Betsy was looking for T. J. at the gestions about home economics and

And I say "stranger than Fiction," because it is true, and but she never could keep up with strange because I'd never thought of it that way before.

We Build A Ship

At the very moment our first subscriber picks up an initial copy of the War Whoop - we the staff are christening ing the Christmas holidays, huh! firmative, and W. T. Taylor and you are

We the staff do solemnly christen you, little 'War Whoop,' there, Temp. and in just a moment you will be launched out on the sea Warriors, Helen Haddock, said she Tuesday morning, basing his remarks "Number of Student Opinion.
